A newly formed Alumni is being established at Holy Name School. We are asking everyone who attended HNS to provide us the information below on themselves.

In addition, if you have a spouse, children, siblings or parents who attended HNS but do not live in the area or is deceased, we would ask that you get extra forms and provide us with any of the information on these past students as well.

Additional forms can be picked up at the School or by printing from the School website at **www.holynameschool.org**.

We sincerely appreciate your efforts in helping us to gather this information and we look forward to a more continued communication with our past students.
