Please encourage family and friends to register from this same screen.

## Collecting and Recycling for HNS - You Can Help!

**Campbell Soup Labels**-We receive 1¢ for some, 5¢ for others.

**Box Tops for Education**-We receive 10¢ for each label.

These can easily be mailed to the attention of Alumni Coordinator.

**Fundraiser items that local Alumni could also collect:**

**Capri Sun drink pouches** (please remove the straws)

**Hard Plastic Bottle Tops** (i.e., soft drink tops, cleaning product bottle tops)

The Bottle Tops are recycled into Park Benches. Enough have been collected to have two (2) benches made during the 2009-2010 school year. Stop by and see them on the grassy playground. They are green and black and are made completely out of recycled bottle tops!

**Coke Product Labels**-This is a 12 character (alpha and numeric) sequence that can be found under the perforated section of the 12, 24 and 32 packs that you pull out to open the carton. This is not the UPC Code.

We also are collecting the bottle caps off the Coke Product bottles. The 12 character sequence is in the cap. After earning points with these, we will combine them with our other bottle caps to make benches.

This program is providing our school with our total construction paper needs. Hopefully, we can earn enough points to also receive some P.E. equipment.
