**CONGRATULATIONS TO OUR TIP TEST TAKERS!**  
cmcfarland@holynameschool.org

This year, eight seventh graders took the ACT or the SAT through the Duke University Talent Identification Program. We would like to congratulate **Jackson Howell, Hunter Morton, and Katie Vickers** whose scores qualify them for recognition on the state level! These students have earned their awards by scoring at or above the national average on subtests of the ACT/SAT or on their composite score. They have been invited to attend a state recognition ceremony at Western Kentucky University in May, where they will be honored for their achievement. We are very proud of all of the students who took a college entrance exam this year. They each have done an impressive job on the test!

**SPORTS BANQUET**  
mcaton@holynameschool.org

The sports banquet for Grades 6-8 is scheduled for Sunday, May 17, at 5:00 p.m. Reservation forms have been sent home with the students. Extra forms are available at the front desk. Deadline for reservations is May 1.

**SUMMER READING CHALLENGE!**  
sfarley@holynameschool.org and lscott@holynameschool.org

Want to be part of a world record?! Read on for details. Scholastic, Inc. is sponsoring a summer reading challenge to set a world record for the number of pages read over a summer. This challenge starts April 30<sup>th</sup>. You can log on to Scholastic’s website at [www.scholastic.com/summer](http://www.scholastic.com/summer) and play games, download reading lists, earn points for a team, and read for a cause, “Save the Children’s U. S. Programs.” This is a great way to keep your whole family reading this summer, be part of a world record, and complete a service project. You will find lots of cool programs at the Henderson County Public Library as well. So grab a good book, some shade, and something cool to sip – **it’s reading time!**
