Greetings,

Beginning in May of 2023, Holy Name School initiated a strategic planning process with the Institute for School & Parish Development. During the course of this process members of the school, parish, and greater Henderson community participated and provided input as to the challenges and potential solutions facing Holy Name School. Utilizing this valuable information eight challenges have been identified, a strategic plan has been formed, and a course of action is underway.

The eight challenges are:

- How can we be more strategic in developing and improving academic excellence?
- How can we express our value proposition and WOW to all those around the community?
- How might we maintain and/or update the school facilities, infrastructure, and technology to support the implementation of the educational mission of the school?
- How can we attract and retain the best faculty/staff members for HNS?
- How can we create financial feasibility and support our future financial independence?
- How can we improve safety concerns?
- How can we increase enrollment?
- How can we use our traditional values to be steadfast in our mission by being inclusive through encounters today and in the future?

Knowing these challenges, using the strategic plan, and taking into account the potential solutions suggested along the way, four implementation teams are being formed to address the challenges. Each team will work to address two of the challenges. These challenges are substantial with some components being multi-year and others being achievable much sooner.

The school is grateful for the time and effort of those involved to this point. The continued work on this process is considerable and invaluable. Thank you to everyone who has agreed to continue this journey with the school to ensure its success well into the future.

Spirit Led. Tradition Based. Future Focused.

HENDERSON CHAMBER OF COMMERCE EDUCATOR APPRECIATION NOMINATIONS

Has an HNS teacher impacted your child's life in a positive way? Do you want to honor them for their efforts? You are encouraged to nominate an HNS teacher for the annual Henderson Chamber Educator Appreciation Awards. Every year the Chamber of Commerce honors a Veteran, Rookie, Post-Secondary, Support, and Volunteer Educator. There are so many educators throughout the Henderson community who are deserving of these awards, but the Chamber committee will only be awarding one per category. Therefore, please know that it is important to give as much supporting evidence as possible so the judges understand, just as much as you do, why your nominee deserves to be honored. The deadline to submit nominations is April 10, 2024.
