## From the desk of the Administration. . .

As we close out the 2022-2023 school year we look back on the memories we have created. We reflect on how blessed we are to be part of your family. Thank you for choosing HNS, and for partnering with us in providing your children with a Catholic education. We pray in thanksgiving for each of you and the dedication you have to the success of Holy Name School and your children. We pray for each of you as summer break begins, that you find rest, relaxation, and fun throughout these months while continuing to grow in your Faith. We offer special prayers for all members of our Cardinal Family (students, staff, volunteers, parents) who will be moving on to new journeys next school year. Enjoy your summer vacation. Be safe, read some good books, play outside, and go on many adventures. We'll see you back at school in August, Cardinals!

HNS Administration

## THANK YOU

Please join us in congratulating some HNS legends on their upcoming new adventures... Christina Shires, Cheri Phillips, Susy Solorza, Josh Wirey, and Mackenzie Johnson have a combined 48 years of service to HNS and a combined 57 years of experience as teachers. These educators have shared their gifts with our students and families throughout this time and have created bonds and memories that will last a lifetime. We are so grateful for all they have done for HNS, and we wish them well as they pursue new opportunities in their careers. They embody what it

means to be a Holy Name Cardinal and are most certainly #Cardinals4Life. We know as they move on that they will make us all proud, and we send them on to their new roles with great love and admiration. May they find joy and fulfillment in all they do.

Thank You

## SCHOOL COUNCIL ELECTIONS

Congratulations to our new School Council members! The 2023-2024 Holy Name School Council will consist of Tiffany Beck, David Osborn, Eric Shappell, Rosa Rosales, Whitney Jenkins, Emily Bridges, and Denise Roof. Please thank these individuals for their service and dedication to our school.

# WELCOME!

While we are sad to see five wonderful educators leave us for new adventures, we are happy to welcome others to the family and see some others step into new roles...

- **Molly Gibson Roberts - Middle School Math**

Molly is an HNS graduate, the daughter of long time HNS teacher, Carol Gibson, and the mother of current Cardinal, Caroline. She has taught math at North, and most recently has been teaching math at HCHS. She is excited to return home to share her passion for teaching and to create amazing Cardinal memories, like the ones she has from her time as a student, for our current students.

- **Kelsey Tramill - Middle School Literature**

Kelsey is an EKU graduate. She has taught English at the high school level at DCHS and most recently at HCHS. Kelsey shares that she has observed that HNS graduates who have been in her high school classes are top notch students with great attitudes and work ethics, and she is excited to become part of a team that will help future Cardinals continue on that tradition of excellence.

- **Maggie Garner - Middle School Social Studies**

Maggie is a graduate of University of Kentucky. She has taught Social Studies at HCHS for 6 years. Maggie is looking forward to challenging her students to be critical thinkers and problem solvers as they learn about history and the world around them. She is so excited to be part of our tradition of developing hard working, positive, leaders in Henderson.

- **Patricia Wilson - 4th/5th Grade Social Studies & Religion**

Patricia is excited to return home after a year away from teaching full time. She has had many roles at HNS over the years, most recently 2nd grade teacher. She is looking forward to teaching social studies and religion, and is most eager to share her faith to help our 4th and 5th graders grow in their relationships with Christ. We are so happy to have her back with us for next year!

Good Luck to Emma Bridges and Holly Farina in their new positions at HNS

- **Holly Farina** will be leaving her protractor and calculator behind to move to the position of Middle School Religion Teacher. She is eager to share her faith stories with her students in a new way and to guide them as they continue with their own faith journey to develop their relationship with our Lord and to become Christ-like servant leaders. We're excited to have such an experienced teacher and faith filled leader in place for our middle schoolers.

- **Emma Bridges** will be stepping out of the classroom and into the office as the Dean of Students. She is full of excitement to be part of the team that will guide the next generation of Holy Name Cardinals to greatness and build their faith and education. As a 2006 HNS graduate she is full of passion and commitment for Holy Name School and our success.

**DIOCESAN EDUCATOR OF THE YEAR**

Has an HNS teacher impacted your child's life in a positive way? Do you want to honor them for their efforts? We invite you to nominate an HNS teacher for the Diocesan Educator of the Year Award.

Every year the Catholic Schools Office accepts nominations for Educator of the Year. This is an honor that will be awarded at the Diocesan Celebration of Catholic Schools Day. A committee chosen by the Superintendent serves as judges. As we all know, there are so many educators throughout our Diocese that would be deserving of this award, but we will only be awarding one. Therefore, please know that it is important to give as much supporting evidence as possible so the judges understand, just as much as you do, why your nominee deserves to be the Educator of the Year. To nominate an HNS Educator please [click here](#).

**NOMINATIONS DUE BY JULY 1, 2023**

## VOLUNTEERS NEEDED Mission Henderson June 4-10, 2023

This summer the Holy Name Church Youth Group is taking on Mission Henderson. The youth group will go out into our community to spread God's Word, love and faith through action and deeds.

How can YOU help? Can you spare one/two days or the whole week of June 4 -10? **ADULT** volunteer supervisors are needed on the job sites. Work days will begin at 7:30 am and finish at 5:00 pm. Job sites will consist of painting/staining. This is a great way for HNS families to get a jump start on their "Lend-A-Hand" hours for next school year. Please pray and reflect on "Making a Difference" in our community of Henderson and experience the challenge of mission work!
