THANK YOU

Please join us in congratulating Malissa Crafton and Lauren Haynes on their upcoming new adventures. These two individuals have shared their gifts and talents with our students and families over the course of many years and have created bonds and memories that will last a lifetime. We are so grateful for all they have done for HNS, and we wish them well as they pursue new opportunities in their careers. They embody what it means to be a Holy Name Cardinal and are most certainly #Cardinals4Life. We know as they move on that they will make us all proud, and we send them on to their new roles with great love and admiration. May they find joy and fulfillment in all they do.

thank you!

WELCOME

We have been working hard to fill our open job positions and are excited to welcome...

She was a Kentucky Teacher of the Year Semi-finalist in 2022, and has presented on a variety of education topics at multiple national, state, and local conferences. Robin believes that teaching is a calling and is excited to join Holy Name where she can continue to fulfill her purpose and practice her faith.

Mrs. Rosemary Bridges will be at the front desk to man the phones and doors; greet our students, visitors, and families; and assist teachers and administration in a variety of ways. Rosemary has most recently been the Staff Support Secretary at Niagara. She is excited to become a part of the HNS family in this new capacity, and to be present as Ella, her granddaughter, walks the halls growing in faith just as Rosemary's own children did.

Meet the Teacher

Mrs. Maggie Garner

Middle School Social Studies

8th Grade Homeroom

From Mrs. Garner

Hello! My name is Maggie Garner and I'm married to Alan Garner. We have one son, Theo, who has just completed his first year at HNS in the Early Learning Program. The growth he's shown this past year is just one of the reasons we love HNS. I've spent 6 years at HNS teaching social studies to a variety of grade levels. Although I will miss high school and my former coworkers and students, I am beyond excited to be joining the HNS family. I have a passion for teaching my students to be critical thinkers and active participants in their community. Holy Name's emphasis on community and tradition is something I've always admired and feel very lucky to now be a part of. I am looking forward to meeting all of my new students! Enjoy the rest of your summer and I'll see you in August!

Meet the Staff

Ms. Sasha Stone

Teaching Assistant

Mrs. Kim's Kindergarten

From Ms. Sasha

Hi, I am Sasha. I will be joining Mrs. Kim in Kindergarten! I am excited to get back into the classroom! Previously I worked in Special Education and kindergarten in the public school system for 5 years. I have spent the last 8 years providing in home childcare. I have two daughters, Sydni and Sophi. In my free time I enjoy spending time with my family doing fun things together! I can't wait to get to know your kids and become a part of the Holy Name Family!

Meet the Teacher

Mrs. Molly Roberts

Middle School Math

8th Grade Homeroom

From Mrs. Roberts

Hello! My name is Molly Roberts, and I am a proud alum of HNS. I am married to Rex Roberts. Together we have 3 girls (Caroline, Peyton, and Nora). Growing up, Holy Name School & Church were my second home. My mom, Carol Gibson, taught 4th grade here for 32 years, and to be following in her footsteps by coming "home" is very special to me. Holy Name helped mold me into the person I am today in many ways, but most importantly by laying the foundation for my strong faith in the Lord. I am excited to be a part of helping students grow in their faith, while also getting to share my passion for teaching with them. I am so proud to be a Holy Name Cardinal once again, and I can't wait to get started!

Meet the Teacher

Mrs. Mackenzie Windhaus

"The Collaboratory"

K-8 Specials Team

From Mrs. Windhaus

Hi! My name is Mackenzie Windhaus. I live in Henderson, KY with my husband Matt and two children, Andie and Porter. We love Holy Name School, and I am so excited to be joining the Cardinal Family as The Collaboratory Teacher... an exciting new class for HNS based on the principles of STREAM education! I love to make learning fun and help students use all of their creativity. My goal is to teach my students to trust in themselves, collaborate, and use mistakes as an opportunity to make something better. We are going to have FUN in 'The Collaboratory'. Can't wait to meet all of you. See you in August!
