HNS Community,

Initiated by the administration, Holy Name of Jesus Catholic School is planning to move forward with a bold new planning process that will begin in August 2023.

One of the beginning steps will be to conduct an initial assessment of our school to determine where we are and where we want to go in the future. This assessment will last approximately 4-6 weeks, and it will be conducted by the Institute for School and Parish Development (ISPD), a national consulting firm from New Orleans, LA who works specifically with Catholic dioceses and schools throughout the country.

As part of this initial assessment and overall process, ISPD will interview and survey members of our school community in order to better understand our school. This process is important to the future of our school, and we invite you to share your candid opinions and wisdom.

One way you can help with this bold new process is to complete The Ultimate Question Survey. Please [click here](#) to participate and complete this short survey.

Your time and thoughts are greatly appreciated.

Meet the Teacher

Mrs. Kelsey Tramill

Middle School Literature

7th Grade Homeroom

From Mrs. Tramill

Hello! My name is Kelsey Tramill. My husband is Coleman Tramill, and we have a beautiful daughter named Emerson. I am so excited to be teaching Middle School Literature at HNS. I am an avid reader, and my favorite thing to do is to share my love for reading with others. I cannot wait to do this with my middle school students at HNS! I have taught many Holy Name students in 9th and 10th grade, and I've seen how amazing they are as both students and people. I am so excited to be a part of the tradition of shaping Cardinals to be the best they can be. I can't wait to be teaching in the Cardinal's Nest!
